Hello Valmichael,

Attached is the first daily report for the armored cap enhancement work at the SJRWP site, covering Friday, January 17, 2014. Equipment was mobilized and the surveyors staked out the work. Cap placement has begun in earnest today (Monday the 20<sup>th</sup>).

Note that my cell phone number has changed since we spent some time together on-site, so please update your contact list accordingly. The new number is 315.720.6890.
